

Type Q

In the questions below, choose **two** words, **one** from each set, that will together make **one** correctly spelt word. You may not change the order of the letters.

The word from the set on the top always comes first.

Underline the two words or mark the appropriate boxes on the multiple choice answer sheet.

Example

(motor gas electric)

(engine bus cycle) (motorcycle)

Question 1

(snow sleet mush)

(tarred room wing)

Question 2
